**WHY BUY STIHL BATTERY?**

**REAL POWER** All STIHL battery tools are driven by powerful lithium-ion cells built to our strict standards. STIHL's world class engineering combines these cells with proprietary intelligence to maximize power across our wide range of tools.

**TRUE PERFORMANCE** STIHL's Constant Power Technology ensures ultimate performance is delivered based on your task.

**ULTIMATE DURABILITY** STIHL batteries are engineered with safety and durability in mind. Our engineering includes technology to protect from water damage (IPX4) and damage due to deep discharging and/or overheating that could be caused during operation or charging.
